

Providing the highest quality instruction, education and care for every child in our early childhood and school age programs.

**PRESS RELEASE from Harbor Child Care
June 12, 2019
For immediate release**

In the fall of 2018 Herricks High School Senior Alex Beacco approached Harbor Child Care for assistance with his Eagle Scout project. Harbor gladly took on this initiative as we knew that our new playground learning environment at Harbor Child Care Herricks/New Hyde Park needed one more item for completion. Alex chose to paint a world map on the asphalt of the Harbor Herricks courtyard playground! There is also a sign posted opposite of the world map and both items symbolize the multicultural diversity we all share in the Herricks community!

Alex used the proceeds from his well-organized fundraising and a clothing drive to purchase paint and other materials to comprise the world map and sign. Harbor Child Care assisted Alex with the clothing drive by collecting nearly 100 bags of items from parents, staff and friends.

A ribbon cutting ceremony for the world map and sign was held on June 12th. Harbor Child Care truly appreciates the support and friendship of the Herricks School District in support of this endeavor. We wish to also thank Harbor's Board of Directors, parents and staff for their unending love and support of projects throughout the school year.
